

THRIVE!!! LEARNING LAB NW PASADENA

November-December 2016

* Tutoring: K-7th

* Parent Empowerment

* Summer Day Camp

All seeded and developed from a Biblical foundation: "I will show you a more excellent way." (1 Corinthians 12:31)

About Us

You will find Thrive!!! Learning Lab on the corner of Madison and Orange Grove in northwest Pasadena. We have an **After School** space where children can do their homework and increase their capacity for learning. Our program encourages them to be excited about school. Our **Parent Empowerment** initiative is a space where parents come together, understand the complexities of our school system, overcome language barriers, and receive one-on-one support to navigate challenges. Our five-week **Summer Day Camp** brings children together to learn about God - about his deep love for them and for their community - and provides opportunities for arts, drama, swimming, field trips, and academic advancement.

We are grateful to...

Vida Rabadzah of Nike for providing sneakers for children and families * Athletes in Action interns for volunteering and helping us have a great Summer 2016 day camp * Arnold Myint, Top Chef, Food Network Star, for cooking the best taco salad lunch for the children * Our Thrive!!! Learning Lab network of friends including (but not limited to) Pablo Alvarado of NDLON, Cheryl & Robert Lizana Child's Plei, Rudy and Kafi Carrasco, Michael Sylvester with the Lenses Crew, Dave Kleinknecht, Hope of LA Thanksgiving Boxes of Love - thank you for your friendship and support!

How You Can Help

Contribute

- \$25 provides snacks for tutoring for 1 week
- \$56 provides tutoring for 15 children for 1 day
- \$224 provides tutoring for 15 children for 1 week
- Give online at our secure PayPal site: bit.ly/thrivenwp (username: adjoasvision@gmail.com)

Volunteer

- Have your small group or church pray for the children and parents at Thrive!!! Learning Lab
- Contact Flo for group project or to assist with tutoring: 626 787 3292 or adjoasvision@gmail.com
